

The University of Hawai'i at Manoa and CMENC (future Music Educators) are pleased to offer the Furlough Fun Friday Music Program .

These are tough times for education and music. Our University students felt the need to take a stand, to help fill the gap left by loss of instructional time, to help give students a positive musical experience on an otherwise unstructured day. The entire furlough process has happened rather quickly, so our fall offerings are somewhat light. If there is interest, our UH students have more detailed plans for the spring.

Please check our website for registration info and more details. There are limited spots, and these may fill up quickly. There is no cost for your child to participate, but a donation to CMENC Hawaii is appreciated. We are very excited to begin this endeavor of service to the community. With that said, we hope to see you for our 3F Music Program (Furlough Fun Friday).

Fall Furlough Dates we are offering:
 10/23 Furlough Friday Program
